EHLANZENI  
*it's in our nature*

## *Do not drive after DARK - NEVER!*

If you have absolutely no choice –

Phone your next stop and tell them when to expect you and what route you are following

## *Use Common Sense*

Do not walk alone

Do not walk around with expensive items such as jewellery or cameras

Do not leave valuable items / shopping bags / luggage in your car

Do not pick up hitch-hikers

## *Plan your route in advance*

GPS is not always reliable in rural areas and around the mountains

Cell phone signal is patchy or not available on rural roads

Ask a local person before you depart, which road is the best

Enquire about known road blockages due to protest action

Look out for potholes, pedestrians and stray animals

## *Adhere to Road Signs ALWAYS!*

Speed limit could be 80km/h on a road that looks like a highway / freeway

Stop signs could be at unexpected places

## *If you get pulled over by police / traffic police*

Remain cooperative

Insist on a written fine in case of an alleged violation

It is strictly illegal to pay cash to a traffic / police officer (it is a bribe)

Legitimate fines should be paid at a police station or magistrate's court only, where a receipt must be issued

If prompted for a bribe, take note of the officer's name, place, time and their vehicle registration number

Report it to the Police or Tourism Help Line

Never take a photo of any officer! It is illegal to take anyone's picture without consent

## *And ALWAYS...*

Keep a copy of your passport with your local travel agent or store a photo of it on the cloud

Keep a list of important family contacts with your agent / cloud

Learn at least five emergency and family telephone numbers off by heart
